

2014-2015 Student Directory

The student directory provides our Forrest School Families with an easy way to contact one another for homework, carpooling, play dates, etc. Students are listed by grade and alphabetically with their addresses, phone number, and parent's email.

The PTA uses the directory to compile an email list used to send communications and reminders. Only one email address will be listed in the directory, unless you request to have both listed.

If you do not respond, only your child's name and grade will be listed.

Please return this form in an envelope marked "Student Directory" by Wednesday, September 24, 2014.

Student's Name: _____ Grade/Teacher: _____
(First & Last)
